"Middle Eastern Magic in Every Bite"

# Profile & History

In the year 1999, Qureshi Brothers ventured into restaurant business and opened their 1st restaurant Mezbaan: in Kurla. Mezbaan gained popularity in area its Indian and Chinese Cuisine. The USP of Mezbaan was its authentic tasty food served at very reasonable price.

We then started our second Branch of Mezbaan at Carter Road, in Bandra 2003. To match the taste adventurous crowd in Bandra, we introduced some Arabic Dishes in our menu such as Mandi Rice, Laham (Mutton) Kabsa Rice and Dajaj (Chicken) Kabsa Rice.

In the year 2007, we had started a very small take away fast food place next to Mezbaan. However. Instead regular fries & burgers we introduced the concept of Lebanese & Mughlai fast food and Carter Road go its 1st taste of Shawarmas, Kebabs, Rolls, Baida Roti & Lebanese Salad etc.....

The Strategic location opposite Cafe Coffee Day and a hot skip and jump from majestic view Arabian Sea Coupled with irresistible taste of delectable food soon became the craze of town had hotspot of young and so young. Very soon it became a popular shawarma hub in Mumbai.

Gradually, as the popularity and the reputation increased, in group came up with multiple branches in Dubai and Mumbai being notable once.

To maintain our reputations and goodwill in eyes of our customer, its has become imperative that we create a distinct identity of ourselves.
